1. Promotion of Self-directed English Language Learning	AI Writing and Speaking Platform	Subscribed to the Wiseman AI Writing Platform and Speak Up platform to facilitate independent language learning at home and during study hours.	Students gave highly positive feedback for both platforms. Over 90% of students agreed that the Speak Up platform enabled them to learn at their own pace from any location, effectively fostering self-directed learning habits. For the writing platform, students reported that the instant, tailored feedback provided by the AI helped them identify areas for improvement and refine their writing skills.	$50,000	$45,000
